SUPPLEMENTARY INFORMATION:

On October 20, 2015, we published a notice in the Federal Register (80 FR 63478) announcing our intention to

establish a negotiated rulemaking committee to address for loans made under the William D. Ford Federal Direct Loan (Direct Loan) Program: (1) the procedures to be used for a borrower to establish a defense to repayment; (2) the criteria that the Department will use to identify acts or omissions of an institution that constitute defenses to repayment of Direct Loans, including the creation of a Federal standard; (3) the standards and procedures that the Department will use to determine the liability of the institution for amounts based on borrower defenses; (4) the effect of borrower defenses on institutional capability assessments; and (5) other loan discharges. We noted that, in addition, the committee may also consider if and how these issues will affect the Federal Family Education Loan (FFEL) Program.

In that notice, we set a schedule for the committee meetings and requested nominations for individual negotiators who represent stakeholder constituencies for the issues to be negotiated to serve on the committee. We are requesting additional nominations for individual negotiators who represent the following stakeholder constituencies for the issues to be negotiated to serve on the committee:

- State higher education executive officers.

- Institutions of higher education eligible to receive Federal assistance under title III, parts A, B, and F, and title V of the HEA, which include Historically Black Colleges and Universities, Hispanic-Serving Institutions, American Indian Tribally Controlled Colleges and Universities, Alaska Native and Native Hawaiian-Serving Institutions, Predominantly Black Institutions, and other institutions with a substantial enrollment of needy students as defined in title III of the HEA.
- Two-year public institutions of higher education.
- Private, for-profit institutions of higher education.
- National, regional, or specialized accrediting agencies.

We intend to select negotiators for the committee who represent the interests significantly affected by the topics proposed for negotiations. In so doing, we will follow the requirement in section 492(b)(1) of the HEA that the individuals selected must have demonstrated expertise or experience in the relevant topics proposed for negotiations. We will also select individual negotiators who reflect the diversity among program participants, in

accordance with section 492(b)(1) of the HEA. Our goal is to establish a committee that will allow significantly affected parties to be represented while keeping the committee size manageable.

We generally select a primary and alternate negotiator for each constituency represented on the committee. The primary negotiator participates for the purpose of determining consensus. The alternate participates for the purpose of determining consensus in the absence of the primary. Either the primary or the alternate may speak during the negotiations.

The committee may create subgroups on particular topics that may involve individuals who are not members of the committee. Individuals who are not selected as members of the committee will be able to observe the committee meetings, will have access to the individuals representing their constituencies, and may be able to participate in informal working groups on various issues between the meetings.

The goal of the committee is to develop proposed regulations that reflect a final consensus of the committee. Consensus means that there is no dissent by any member of the negotiating committee, including the committee member representing the Department. An

individual selected as a negotiator will be expected to represent the interests of his or her organization or group and participate in the negotiations in a manner consistent with the goal of developing proposed regulations on which the committee will reach consensus. If consensus is reached, all members of the organization or group represented by a negotiator are bound by the consensus and are prohibited from commenting negatively on the resulting proposed regulations. The Department will not consider any such negative comments on the proposed regulations that are submitted by members of such an organization or group.

Nominations: Nominations should include:

- The name of the nominee, the organization or group the nominee represents, and a description of the interests that the nominee represents.
- Evidence of the nominee's expertise or experience in the topics proposed for negotiations.
- Evidence of support from individuals or groups within the constituency that the nominee will represent.
- The nominee's commitment that he or she will actively participate in good faith in the development of the proposed regulations.

- The nominee's contact information, including address, phone number, and email address.

For a better understanding of the negotiated rulemaking process, nominees should review The Negotiated Rulemaking Process for Title IV Regulations, Frequently Asked Questions at www2.ed.gov/policy/highered/reg/hearulemaking/hea08/neg-reg-faq.html prior to committing to serve as a negotiator.

Nominees will be notified whether or not they have been selected as negotiators as soon as the Department's review process is completed.
